

# EXPECT GREAT SAVINGS WITH ADDED COMFORT WHEN USING HOYME AIR CONTROLS

Save up to 20%  
on your  
Heating Costs

- ★ PROVIDES COMFORT AND SAVES ENERGY
- ★ WORKS WITH NATURAL GAS, PROPANE & OIL FURNACES OR BOILERS
- ★ CSA CERTIFIED
- ★ TEN YEAR LIMITED WARRANTY

These easily installed motorized dampers, attached to the heating system, open when your furnace is running to provide fresh air for **FUEL EFFICIENCY**. When your furnace stops, the dampers close, preventing cold air from coming in. Stopping cold air **SAVES ENERGY** and increases **COMFORT**.

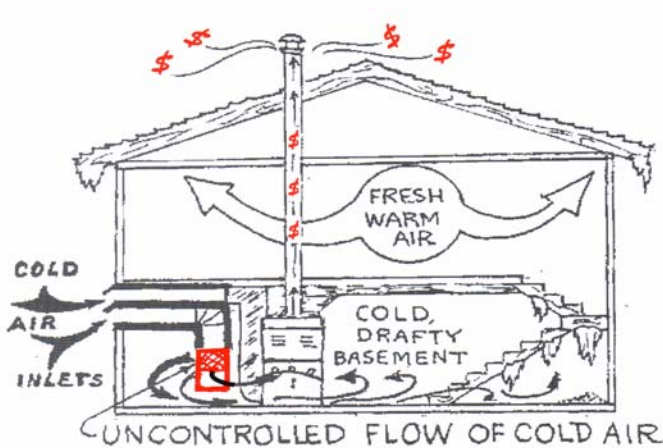

"PUT A DAMPER ON COLD AIR"

SOLD BY

PRINTED IN CANADA

# DO YOU KNOW THE IMPORTANT DIFFERENCES BETWEEN THESE TWO PRODUCTS?

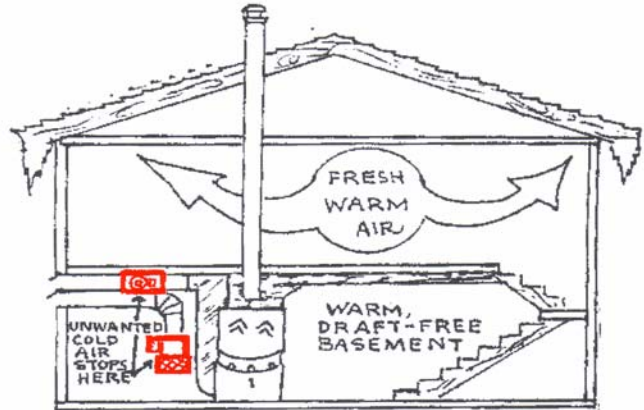

**THE BUCKET**

**Wastes expensive heating fuel.**

- Is not CSA approved.
